Headline:
Feeling fresher tonight, warm on Tuesday.

This Evening and Tonight:
Some late sunny spells into the evening, followed by clear spells and passing cloud through the night. A welcome relief for some, as the night feels cool and fresher than recently. Winds easing. Minimum temperature 5 deg C (41 deg F).

Tuesday:
A dry and possibly hazy start, but clear and sunny skies developing throughout the day. Feeling warmer with gentle winds. Cloud increasing overnight, with some outbreaks of rain. Maximum temperature 22 deg C (72 deg F).

Outlook for Wednesday to Friday:
Cloudier on Wednesday with patchy outbreaks of rain. Risk of heavy, perhaps thundery showers overnight into Thursday with largely cloudy skies during the day. Sunny spells and maybe showers Friday.
